# CHARGERS
## 84-85

DAVID GREGORY, WHO?

David
It was nice knowing you in RotC
your a great guy and a good cadet.
And I am looking forward to seeing
you next year so keep in touch over
the Summer OK! Have a good
Summer.
David Smith

David
I hope you have a great Summer
and year! I hope to see you
around. It was great going to
some of your parties. I
really enjoyed them.
Bye-Bye
Love
Karen
Schafer

Dave
You've been a great
freind this year. I
hope to see you this
Summer, maybe we can
do some things. Best of
luck as a senior next year.
IT should be Awsome.
Your freind
Darren Wall

Dave
Well I guess this is it. I'm sorry I
didn't get to know you better this
year. I hope you have a great
summer and a great senior year.
Keep in touch and I'll see you
around.
Cindy Hammond

Dave, Will, It's about time! We're finally Seniors!
Have a killer summer & see ya next year.

Scott Wisin "88"

Dave.
Hello!
Thanks a million for all that wonderful money you ~~let~~ lent me.
You are a great friend. and a neat person stay that way.
Keep cool and have an Awesome Summer

Friends always.
Lori Wammer

Neptune to Planet X
Neptune to planet X
You there? Tom?
Go out of orbit, beer
in touch. Have a great
time in California and
I'll see ya this summer
This Neptune signing
out. Remember the
red Brigade

eighty-five

Hey Assuipe I hope you enjoyed
school cause I did well party
for me and I'll see ya around

E

David,

I new that colonial would let you
go to Pendleton it's going to be great down
there. I was just kidding when I was
throwing things. Well see you next year

Your
Friend

# FALL

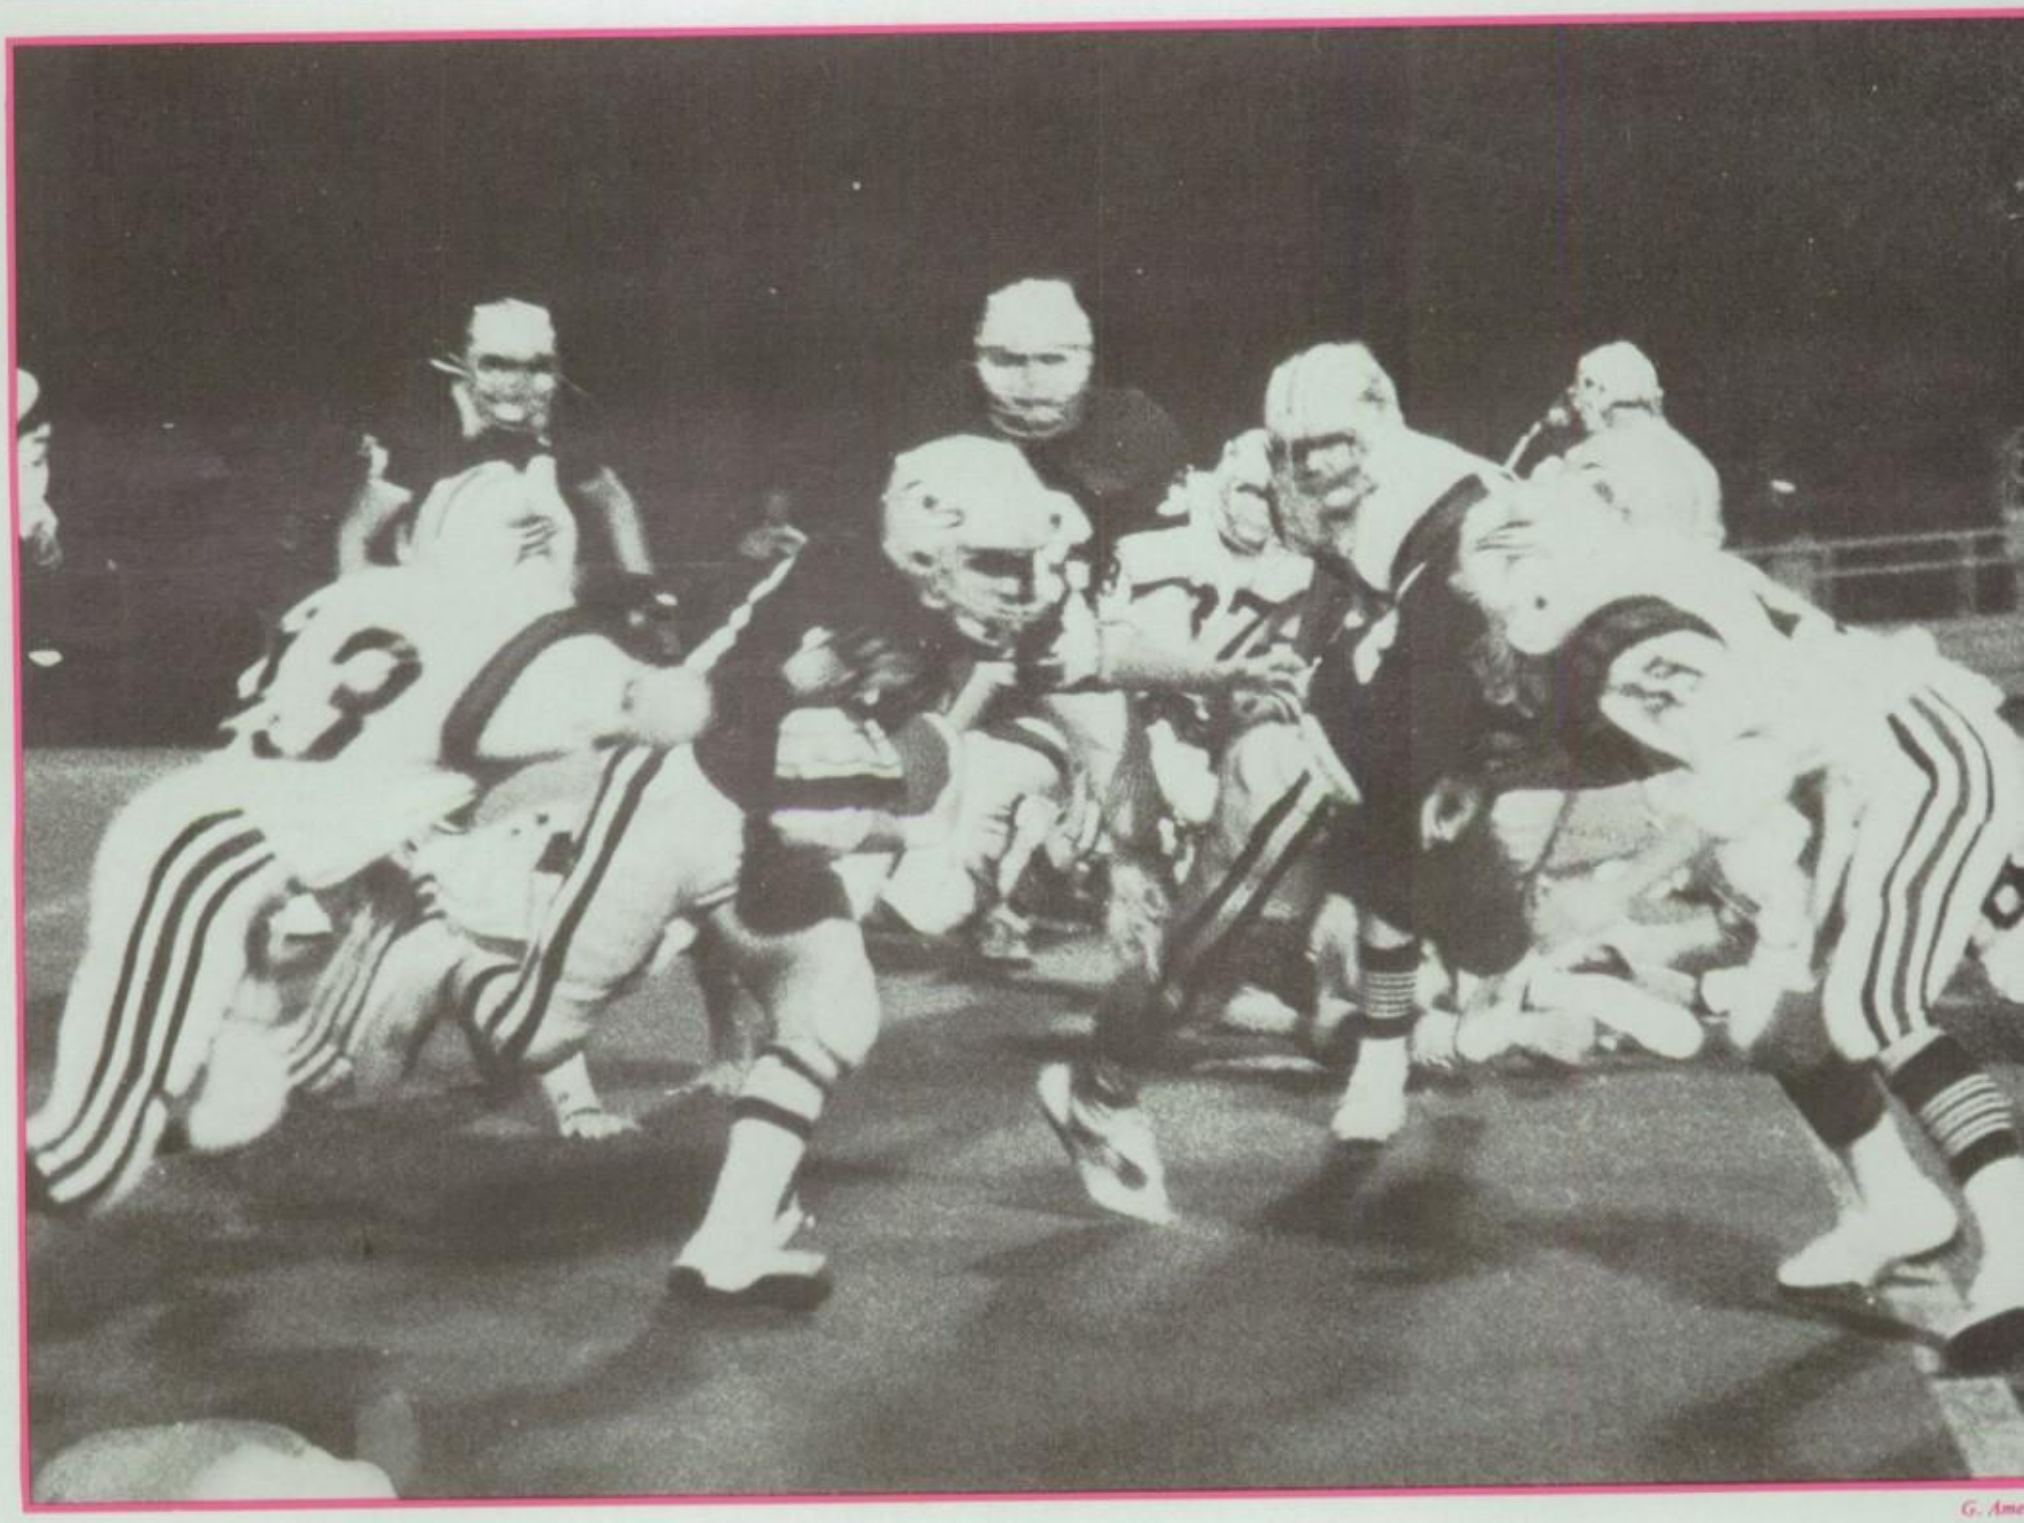
G. Ames 1.

1. Center Mitch Ibsen trails a Charger ball carrier after a rush into the line. 2. After intercepting a pass, Jason Sarkies turns upfield for the return. 3. After a short gain, KM piles up to draw a roughing penalty. 4. Rob Seims breaks a tackle for a gain in the Homecoming game against Lindbergh. 5. Charging through the line for some yardage is junior Rob Seims. 6. Coach Grimstad has a brief word with Tim Pickett on the sideline.



G. Ame

# Revamped Offense Roars to Strong Season

*With the addition of a new head coach, Mr. Ron Grimstad, and a revamped offense, the Chargers played to their best season in three years. The 93 players included 60 varsity members, 23 of whom were seniors.*

*They compiled a 4-5 record and defensively limited their last four opponents to less than 100 yards a game. By doing so, they ended the season as the number three defensive team in the league.*

*Commented Coach Grimstad on the season, "The players worked very hard the entire season to win and in spite of a few disappointing losses, they had an excellent attitude, and had a lot of fun."*

# *Unity Created Caring*

*Finishing their regular season play with a record of eight wins and one loss, the Charger Volleyball Team captured second place in the North Puget Sound League.*

*"It was a super season! The team unity was so very special. We worked hard, had fun and achieved most of our goals," proudly exclaimed head coach Mrs. Evelyn Goodrow.*

*The team played three out of five games for a match which was changed from two out of three. This helped them to be more powerful and added bench depth (more playing time for each girl). The team also used a 6-2 offense giving them three possible spikers at the net at all times.*

*As the team finished fourth in the West Central District, they qualified for "state" in which seventh place was achieved.*

*Cindy Baker was selected by all of the coaches in the N.P.S.L. to play on the "N.P.S.L. All Star Team." Dawn Colston and Renee Krebs were chosen to play on the second team and Brenna Pierce received honorable mention.*

*Co-captain Dawn Colston concluded, "There was real caring for one another and everyone got along well which enabled us to work as a unit and accomplish our goals."*

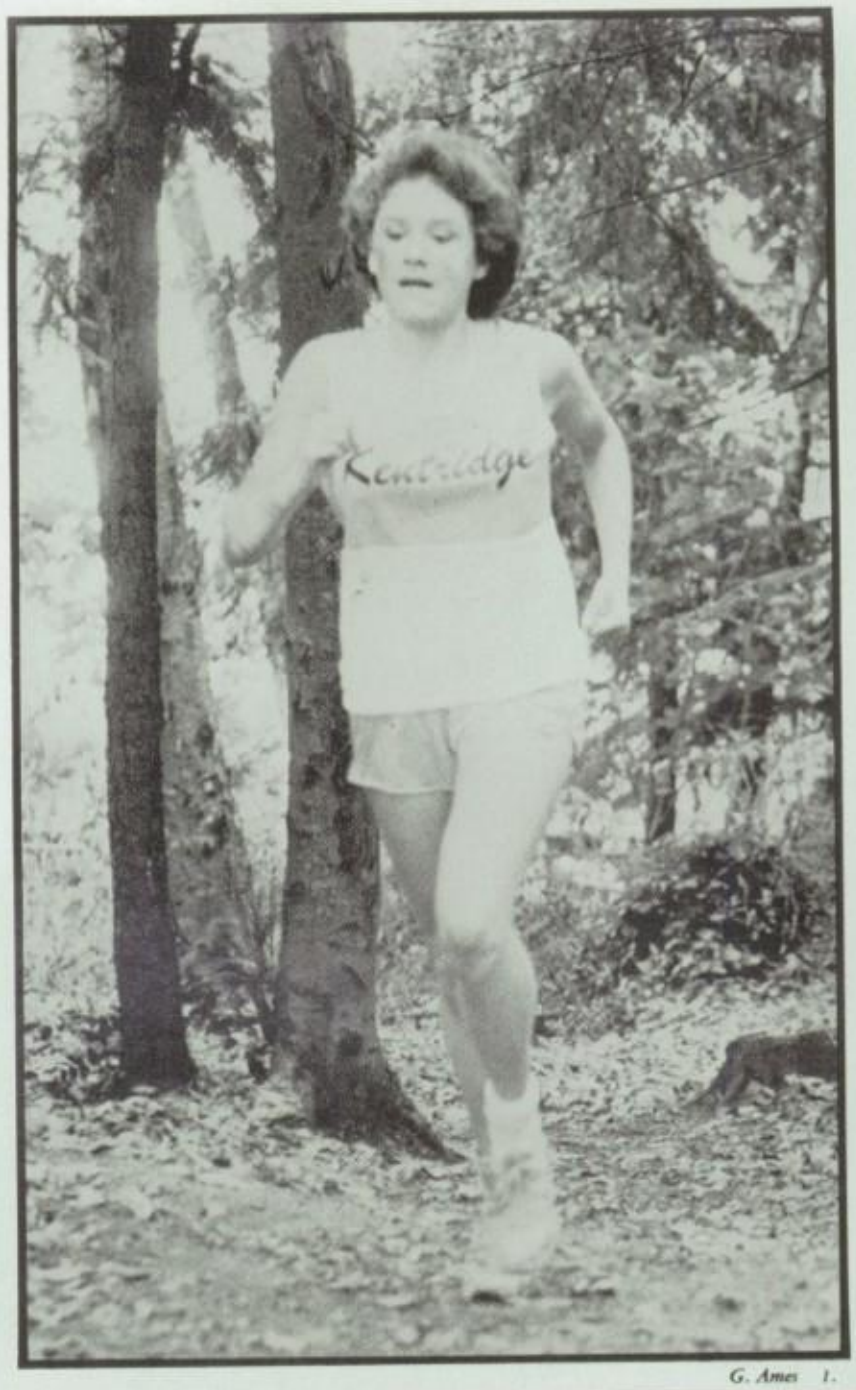
K. Lundeen

# *Girls Streak to Spokane*

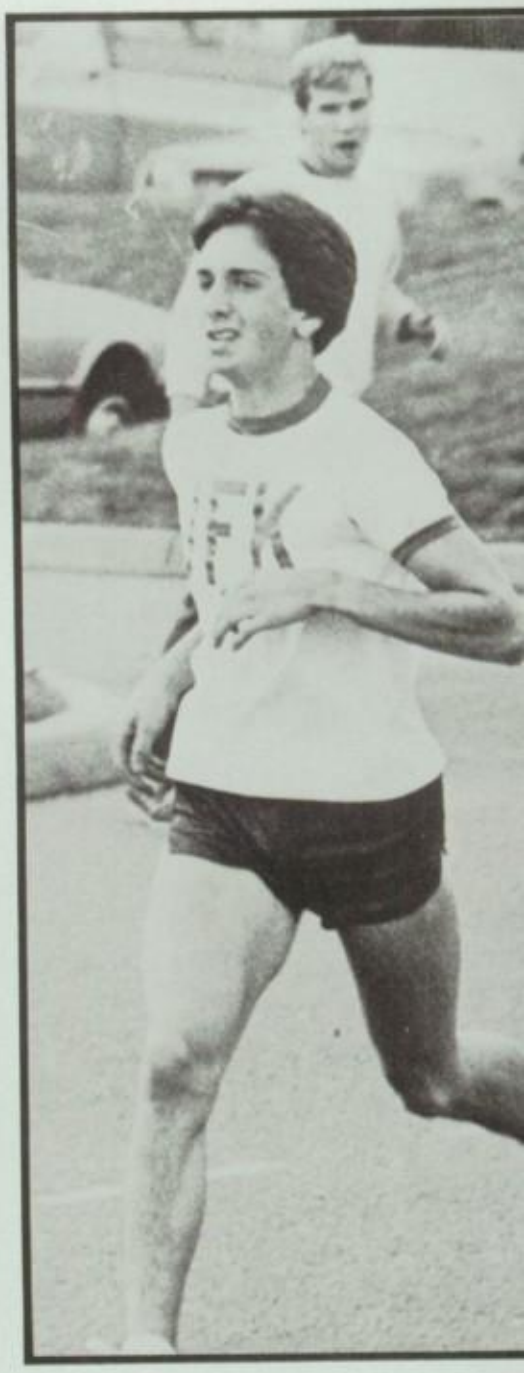
*On to Spokane! Meeting that goal, the girls' Cross-Country team made it to the state meet in Spokane where they finished 8th out of 16 teams. Their first ever trip to state followed second place finishes in both the NPSL and District meets.*

*The 14 girls finished the league season with an 8-1 record, their best ever. Coach Steve Brown attributed their success to their depth as well as to the team work of the close-knit and supportive team members. "They really train hard and are very competitive." Senior Irene DeHart enthusiastically expressed her feelings about the season by saying, "It was awesome! We did great!"*

*T. Denby*



*G. Ames 1.*



*1. Midway through the race, Christina Hill breaks free of the pack. 4. # *A Season to Remember*

*"We're probably the best Kentridge team ever!" commented Senior Scott Imbach regarding the boys' Cross-Country team. The team had a great season, finishing 13th at the state meet in Spokane. In addition they finished the league season with a 8-1 record, and Captain Steve Blacksmith captured the NPSL boy's title. The 19 boys ran 6-10 miles in practice each day as well as running a three mile meet once a week throughout the season. Senior Steve Bunkowske credited their success to training hard and team work. "We were always looking for personal improvement and it showed in our meets. It was a season to remember!"*

T. Denby

*2. Chris Gordon overtakes an opponent from Kennedy. 3. A fatigued Ken Roorda approaches the finish line. 5. The Boys' Cross-Country team: Mike Hyde, Matt Olson, Victor Franklin, Julian Slain, Todd Reser, Chris Gordon, Brian Lawler, Tony Yoon, John Sherrick, John Bickford, Steve Bunkowske, Scott Imbach, Ken Roorda, Glenn Sites, Darrin McGraw, Tom Venable, Craig Evans, Lance Blacksmith, Steve Blacksmith.*

# Soccer Captures Kent Cup

*"With skill and determination girls' soccer worked towards their best and accomplished their best," remarked captain Marlee Weeks. Withstanding tough competition they beat Kentwood and Kent-Meridian to win the long awaited Kent Cup. From there they went on to be the only team to beat Highline and they rose to second in their division.*

*The two teams comprised of 26 girls who were led by Varsity Coach Mr. Phil Rosingren, J.V. Coach Mr. Zeljko Krsnik with captains Marlee Weeks and Marsha Murphy. When asked how he felt about the season Coach Rosingren replied "We were hurt a little by injuries, but I thought we had a very successful season."*

# A Season of Success

*"When we did well it was because we had a lot of depth, everyone pushed themselves to do their best, and we had a lot of fun," remarked Marci Kusmirek. The nineteen member team practiced every day from 3:15 to 5:00 with the support of Coach Les Kendig and Co-Captains Jan Roloff and Mary Ferriole.*

*All team goals were attained. The result of the hard work was qualification of everyone for regionals and individuals Joy Tollman and Cheryl Choy for state. The team placed seventh overall in the regionals. Coach Kendig added, "You cannot measure a successful season by wins and losses. There are a lot of ways to measure the successfulness of the team, and the team swam close to their ability, and that's what makes a successful team."*

L. Folin

S. Tracy 5.

# Golf Keeps N.P.S.L. Title

*Swinging to success, the golf team did not disappoint their fans. Placing first in the North Puget Sound League for the tenth consecutive time was not their only triumph. Three of the team's members also placed in the League Medalist Tournament. Junior Denny Ruthruff placed first, senior Eric Ruthruff took second, and junior Brian Crider came in fifth place. The team also qualified for their fourth consecutive state tournament.*

*Being a young team didn't seem to affect the team standings at all. Sophomore Mark Bratton stated: "I knew from the beginning that we'd be undefeated, there was no doubt in my mind."*

*Rally Board undertook many projects throughout the year, but the biggest project was homecoming. "So much planning and running around was done that nobody really knew about," explained senior Rally Board president, Traci Locatelli.*

*"Some Enchanted Evening" was chosen as the theme during the early summer preplanning for the October 13 event.*

*Spirit week began with Safari Day on Monday, and then transcended into College Day, Nerd Day, and wrapped up with the traditional Green and Gold Day. After taking the day off for a teachers' workshop, loyal Charger fans flocked to French Field for the football team 7-0 victory over the Lindbergh Eagles.*

*After many hours of decorating, the dance began Saturday night at 8:00 and ran through midnight. The colors for the evening were blue and lavender and the music was provided by KPLZ. Senior Derek Carlson summed up the evening, "It was better than Christmas!"*

# Students Explore Japan

*"It's really interesting to learn about the Japanese language and I'm glad they've introduced the program here," commented junior Connie Takamura. The Japanese Club was one of the most exciting new programs of the year, led by Mr. John DeRocco. The club, comprised of 50 students, was introduced because Seattle has a main port of trade with Japan, making the need to speak the Japanese language increasingly important.*

*Throughout the year they did such things as visit a Japanese Art museum, stores and restaurants, explored the Japanese Gardens, had a team ceremony, learned how to use the paint brush for Japanese lettering, and took a cooking class at Uwajimaya.*

*"Learning Japanese should prove to be beneficial to students in this area because of the high amount of technical and agriculture interchange between our countries. American business people have long been decried for their inability to speak Japanese. KR, with the Japanese program, is showing that we are willing and attempting to change," volunteered Mr. DeRocco.*

# New Club Explores Science World

*Because the Science Club was new, the members had the chance to develop it into what they wanted it to be. According to advisor, Ms. Katie Glew, the goal of Science Club was "to give the students a chance to learn about many different aspects of science through experience."*

*Members conducted experiments for the annual science fair. They took trips to places such as Valley General Hospital, the Woodland Park Zoo, the Seattle Science Center, and the Seattle Aquarium. Some weekend camping trips were also taken to just get out and experience nature. To help them with activities, Science Club held fund raisers, which included a car wash. As member Myriam Gabriel stated, "Science Club is something that usually doesn't get much attention, but we were able to develop it into a really fun and interesting activity to be involved in."*

# Learning Through Processing

*"The students that were involved this year were very skilled, and were anxious to share their skills by helping others," commented advisor Mr. Wendell Brown. He was speaking of Computer Club, whose members met once or twice a week for the opportunity to work with computers and learn what they can be used for. Membership was open to all students and teachers, with anywhere from no experience in programming to being an expert.*

*Uses of the computers included learning how to use word processors to type assignments and papers, learning different languages with the new software purchased this year, and doing computer artwork with a color plotter.*

*Summing up the value of this club, member Jon Breazile remarked, "Computer Club was a good experience because I could work at my own pace to learn about subjects of interest to me."*

Both students and teachers participate in Computer Club, as demonstrated by Jon Breazile and Mr. Wendell Brown. 4. Advisor Wendell Brown explains what Computer Club should be.*

# Moving Toward State

*"A high proportion of closely matched, excellent players helped make the chess team the dynamic group they are," remarked advisor Wendell Brown. Seven of the school's best chess players were brought together three days a week to practice their chess skills in preparation for competitions. Trips to various schools for matches were included in these meetings. The club also hosted other schools for different matches.*

*The members spent many hours after school and at home, but the hours seemed to have paid off. "We've made it to state finals several years in a row. This year, the team is even better," added Mr. Brown.*

# A Debatable Concern

*"Whether it happened solo or in groups the success of Debate rested heavily on the depth, enthusiasm and unity of the team" stated veteran debator Steve Rustik. Ove half the team came into the year with debating experience. Because the team met every day fifth period there were many opportunities for developing their topic. Research played a very important role in working with the topic; "Resolved: That federal government should provide employment for all employable United States citizens living in poverty."*

# Drama Club — A Backstage Life

*"It's not just reading a book. It's seeing it come alive on stage," noted Ms. Nettie Harper, Drama Advisor. Club goals were to become more involved with the Thespians and International Drama Society. Members attended drama contests and extracurricular drama activities.*

*Drama Club supported the school's annual musical, entitled "Little Mary Sunshine," as well as the school play, "Curious Savage." "From the beginning of a production to the final play, drama was marvelous and exciting," enthused Bobbi Morris. She added, "It's fun because you can come alive on stage."*

# A Kiss From France

*"Our main goal was to learn more about the French culture and have fun while we are doing it," summarized French instructor, Mrs. Eileen Hallstrom. The French Club was learning more than just a language, they were also experiencing the culture, the food, and the art.*

*On the list of activities for French Club members was a trip to Vancouver, to Seattle to visit the Marcel Pastry Shop, and to a French restaurant. To subsidize these activities club members sponsored bake sales, a dance, mouse sales, French kisses, and Christmas shoes.*

*"French Club is a good way to learn a lot about France and its people without going there," related President Myriam Gabriel.*

# *Expanding Scope of Business Skills*

*"Learning to be a leader in the business world is what FBLA is all about," explained President Michelle Carey. The only prerequisite for members of Future Business Leaders of America was to have been enrolled in at least one business education class. Membership was not limited, although the group was much smaller than usual.*

*In addition to regular meetings, club members participated in many fundraisers in an effort to send more students to regional and state competitions held in the spring. Member Cheryl Harrow concluded, "I learned a great deal about business and leadership skills in FBLA that will be very valuable to me in the working world."*

# Business Meets Pleasure

*Jammin' in your Jammies! That was the theme of the DECA (Distributive Education Clubs of America) dance, one of their many fundraisers and marketing ideas that taught students about business management. Goals of the DECA classes included teaching students about sales and marketing as careers and introducing them to management techniques. In addition to their dance, DECA also sold football jerseys, calendars, and Senior roses, as well as running Charger Corner, the school store. DECA's spirit was best summed up by junior Juli Evans who exclaimed, "DECA is really worthwhile and it combines learning about business with a lot of fun."*

# *Marching Chargers, the Ones to Beat*

*Perfection didn't come easy to the 117 member marching band. Rehearsing two nights out of the week in the wet, dark lower parking lot and, on occasion at French field, they produced a field show from intricate and detailed plans on paper.*

*The Washington State band competition held at the Seattle Memorial Coliseum was the setting for their final performance in which they captured 7th place.*

*The marching band was indeed honored to greet President Ronald Reagan at Boeing Field. "It was a distinct honor and thrill to play for the President even though there was a controversy," exclaimed band president Michele Hurst.*

*In the spring they took to the streets of Glencarin and practiced for various parades, including the Starlight parade in Portland, which was in late May.*

*Due to the limited amount of seniors and the overwhelming number of sophomores, it was important to "rebuild" the band. This was done with ease because they were all "close knit, like a family" and had one goal in mind . . . to be the superior band once again and uphold the band's reputation of "the one to beat."*

# Spirit Abounds

*The excitement of the crowds as they yelled "Hey Go Team!" was just one of the many ways in which students showed their overwhelming enthusiasm and school spirit. Classmates were also involved through participation in pep assemblies and spirit days, and through a few self-initiated groups such as "The unofficial male cheerleading squad" and "the Rally Dudes."*

*An abundance of school spirit was especially noticable at sport events, where the number of students in attendance increased considerably. Many more supporters came out to watch volleyball games and gymnastics meets, showing more interest than in years past. "It was such an encouragement to see the stands filled with supporters, but the real inspiration came in the amount of spirit they exhibited. There was a tremendous feeling of 'We're behind you 100%!'" added senior Tracey Di Ramio.*

# Girls Set New Records

*Scoring an average of ten more points per game than any previous team was only one of the varsity girls' basketball team's strong points. The team showed "a great deal of improvement in their press, and were more patient on offense," stated Coach Aubrey Fredericks.*

*The team practiced many hard hours to achieve their success. They played two games a week, while they practiced the other three. The varsity team had a tough job. The two games played against the #1 rated team in the state (Auburn) were lost only by margins of five and six points.*

*But their hard work paid off, not only in the teams' performances, but also in individual results. Senior Dawn Colston broke the school record for the most rebounds and field goals scored at Kentridge. Ellen Kernan also set a record for having the most assists.*

D. Dunshee

*1. Back row: Allene Welch, Paula Henderson, Erica Porter, Ellen Kernan, Stephanie Bernritter, Rachael Galbraith, Nancy Dela Pena, Michelle Lough. Front row: Heather Hausrath, Cindy Baker, Kathy Glenn, Dawn Colston, Stephanie Ashley, Lynne Lord. 2. Back row: Nancy Dela Pena, Paula Henderson, Jill Bennett, Allene Welch, Stacy Ryan, Megan Osborne, Meri Heatmaker, Melanie Ordonez, Michelle Lough. Front row: Heather Hausrath, Sharice Salazar, Stephanie Bernritter, Stacey Adams, Kedra Iden, Lynne Lord.*

Third row, left to right: Tammy Baze and Marci Kusmirek. Fourth row, left to right: Cindi Sedberry, Karin Wieland, Jill McNeeley, Becky Thrall, Nita Appel, Amy Ennis, and Amy Stevens. 3. During a performance Michelle Wilkinson shows poise and grace.*

G. Ames 2

# A Balance of Support and Unity

*"To be a member of the gymnastics team, it takes talent, dedication, desire to learn and improve, spirit, and the will to believe you can," asserted Jill McNeeley. All nineteen members possessed these qualities, and as a family-like team, they turned the season into a success.*

*In order to achieve their own personal goals and a team goal of scoring 132 points, the girls worked out for 2½ hours a day, six days a week. Their success, however, was greatly attributed to team unity and supportiveness of each other. Constant support, whether it be a compliment of criticism, was of the utmost importance, because they competed not only as a team and individually, but also against each other. Explained Coach Sharon Nelson, "When a gymnast is performing and the team is behind her, cheering her on, it gives her the energy and inspiration she needs to give it her all and go that extra mile." The willingness of all members to stop and take time out to work out problems also contributed to their success.*

*Overall, the girls made a very positive statement about KR through their self discipline and mental attitude of being #1. Their pride in themselves and their school was apparent to the very end. Coach Nelson concluded, "Although only my second year as a coach at KR, this has been by far the most rewarding. We worked hard, but had a lot of laughs, and I feel as though I really got close to the girls and got to know them individually. They're all outstanding!"*

# *Enthusiasm Generates An Enjoyable Year*

*"It was an exciting year and I really enjoyed the fun, and feeling of brotherhood shared between the guys" stated senior Sean Dayley. The 30 member wrestling team practiced for 2 hours every day except Sundays and had matches 2-3 times a week.*

*"It's been a very enjoyable season and that's most important for everyone concerned," commented coach Jerry Kirk. Even though their win-loss record was about equal they had some pretty enthusiastic people who made the season enjoyable. "This year was a great experience," commented senior Dave Adelsman. "Things happened this year that we'll never forget. I wish I could stay another year.".*

L. King

*1. During a long and tiresome day match, Jeff Lublin rests on Louie Uhm's shulder. 2. Summoning all his strength, Kent Griffith prepares to pin his opponent. 3. Awaiting his opponents first move, Jeff Lublin prepares his attack. 4. Tim Pickett frees himself from his opponents grasp. 5. Louie Uhm attempts to throw his opponent. 6. # *Dedication Results In a Powerful Season*

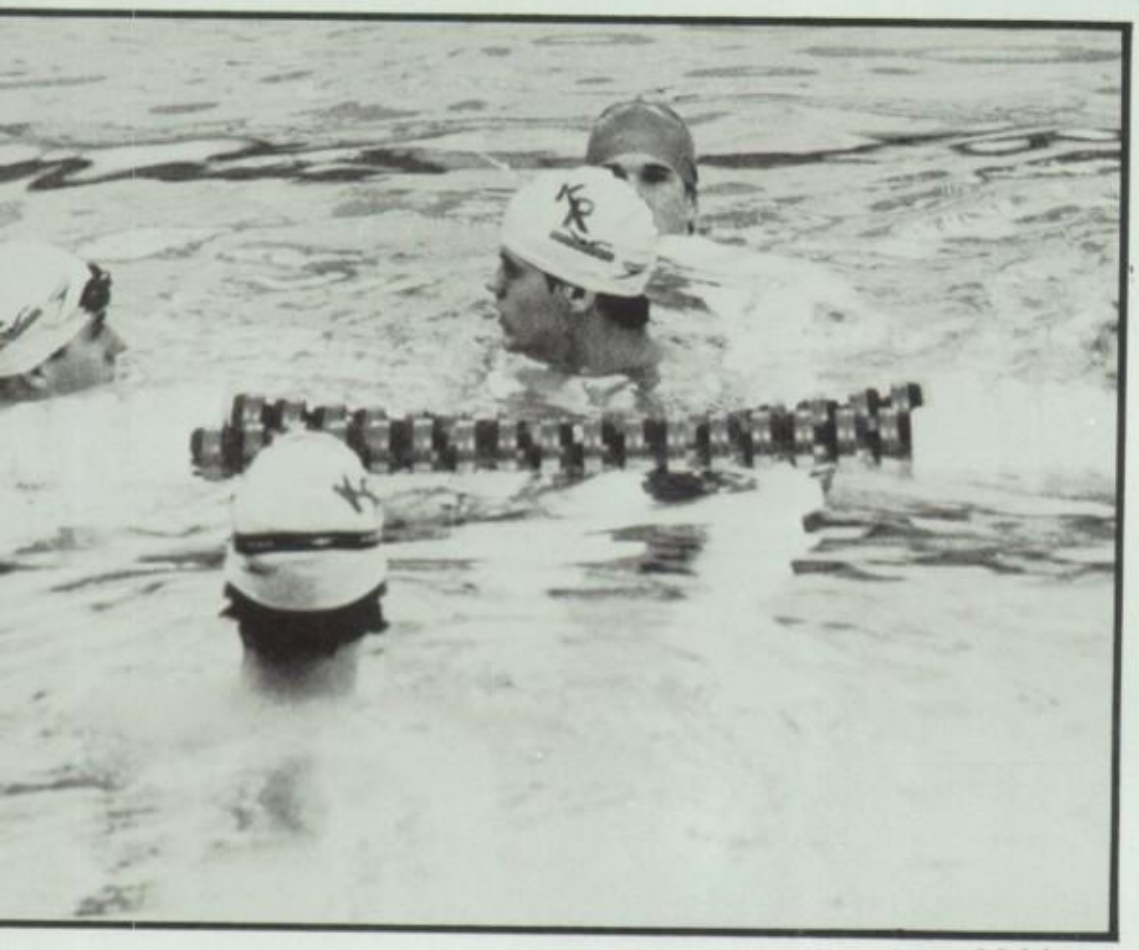
S. Soderberg 5.



S. Soderberg 8.

*With a final standing of nine wins and zero losses, the boys' swim team completed one of their strongest seasons in fifteen years. One of the team's goals was to place among the top four in the state. To work toward their goals, the team practiced eight times a week, and competed in eleven events at each weekly meet.*

*All of this work definitely paid off. Many team records were broken, including those for the 100-yard free style, the 50-yard free style, and the 100-yard butterfly. At the Viking International relay meet, the team came in first place, breaking three records and tying one. They came in second at the Wilson Invitational, where they set the record for the 100-yard breast stroke. As co-captain Tom Lewandowski commented, "Dedication and enthusiasm had a lot to do with our achievements, and will also help us at the state competition."*

# *'Jungle Love' After Hours*

*Nightlife began on a wild note back in September as Summer Celebration was once again held outdoors in the courtyard. The lives of enthusiastic students were jazzed up by the frequent and well-attended after game dances. Sponsored by an assortment of different clubs, special themes included "Jungle Love", Neon, Purple, and Halloween.*

*Alternatives to after game school dances included going to the drive-in movies or visiting teenage dance clubs. Renton's Encore opened in November and was an immediate success with area music followers.*

*Michelle Strakeljahn summed up nightlife, "With all the excitement going on after hours, my senior year had no dull moments at all!"*

# 'The Wild Life'

*"I was really happy with the effort that the Junior Class showed in planning, organizing and pulling off the best Sadie Hawkins dance in recent history. Everybody seemed to enjoy themselves!" summarized Junior Class President Tom Robinson.*

*Getting back to the traditional barnyard theme of Sadie Hawkins, the gym was accordingly decorated with a barn, bales of hay, cornstalks, pumpkins, and of course, flying scarecrows. Chaperones were even asked to wear matching shirts or western attire to add to the boot stompin' atmosphere.*

*Couples danced to their favorite songs as the Music Merchants played them. Hudson's photography was there to capture the memories. "The theme 'The Wild Life" was really appropriate. One couple even wore striped bermuda shorts!" added senior Linda Hutchinson.*

# *Student Body Communication*

*Under the supervision of Activities Coordinator Mr. Doug Helgeson, the 71 member Student Faculty Senate undertook a challenging year of objectives. One goal high on their list included increased communications with the Student Body.*

*The Senate met once a month to complete their business. An additional monthly meeting was held with a new group which embodied an elected representative from each homeroom. This allowed more student involvement in government, and widened the path for communication. Mr. Helgeson added, "Steve Bunkowske has done an excellent job of school leadership."*

# "Caring — Our Way of Life"

*The theme of Key Club International was "Man Hours for Mankind." One of the club's major goals was to be involved in 1000 hours of service. This meant 50 hours for each member at seven community service projects and three school service tasks. Some of these activities included visiting a children's home during the Halloween season, and involvement with the Kent-Meridian Kiwanis food drive. They also sang Christmas carols at a senior citizens' home, and some members adopted a grandparent for a month. Key Club members also helped out at the Washington Handicapped Games in the spring.*

*Key Club worked to get as many members as possible to attend the annual convention. To raise money, several bake sales were sponsored throughout the year. According to secretary-treasurer Erin Sweezy, "the members worked hard to make a difference by bringing smiles and showing they cared, especially around the holiday season."*

# *Succeeding Through Community Service*

*Something old, something new was the motto of Honor Society. Beginning a new "Honors" program was one of many projects that were set on treading the unbeaten path.*

*This program allowed for the "school clubbie" type of member accepting them into National Honor Society. At the same time it made a place for the more serious, academically and service oriented members, inducting them into the new Charger Honor Society.*

*Vice-President Nabeela Chaudry gave some insight, "the Honors program was great because the rules weren't as stringent and it allowed for more people to join and participate if they chose to."*

*Honor Society President Michelle Morrison explained the club's function, "Honor Society isn't always an exciting club, because we're not for recognition. We support the other school clubs and try to do a lot of community service. That's what we're all about!"*

M. Coughlin

*1. National Honor Society: Tanya Veer, Bobbi Morris, Melanie Bowman, Jay Lowell, Terry Gottberg, Tony Azure, Kerri Turk, Kecia Threlkeld, Melissa Griffin, Leslie Ames, Cheryl Green, Britt Anderson, Tricia Bustos, Aerin Dunkle, Connie Carroll, Bev Franada, Chaundra Heller, Melissa York, Annette Braden, Ha Nguyer, Meri Heutmaker, Christy Buck, Sierra Crews, Laura John, Debbie Nelson, Houng La, Tracey DiRamio, Gail Gruenich, Sean Stout, Jill McNeeley, Shauna Soderberg, Clarissa Wheeler, Mignon Coughlin, Stephanie Bernritter, Nabeela Chaudry. 2. S. Soderberg

# Getting Together for the Better

*"It's really neat that we can get together a group of a lot of girls with different ideas and put them to work for the benefit of Kentridge and the community!" exclaimed Girls' Honor Vice-President Tracey DiRamio. The club members committed themselves to working hard in order to serve the community more than ever before. They achieved this goal early in the year in a combined effort with Honor Society as they set up a scholarship fund for girls at Kentridge and made donations to Mothers Against Drunk Driving and Domestic Abuse Women's Network.*

*Success for the larger than average sixty-five member club was also seen in the production of one of the school's major dances, Tolo, and a few after-game dances. Reflecting on the achievements of the club, President Mignon Coughlin commented, "I think Girls' Honor was a unique experience and a special way for girls to get involved in the community."*

Proving her dedication to Girls' Honor, Donna Sullivan goes through the rigors of initiation week.*

# *Chatelaines Sparkle With Style*

*"Performing in front of all those people is so exciting, you just don't know what it's like until you've actually done it," described Gege Sorkness.*

*The Drill Team worked much harder than most people realized. They practiced every Tuesday and Thursday evening, Monday mornings before school, and Saturdays from at least 8:00 to 11:00; not to mention the extra hours preparing for an important performance. To them, practice was practice, not a social gathering. "It takes hard work, like for the Sonics game. We worked so hard, but it paid off. Our success gave us the boost we needed to prepare for State," described Tracy Painter.*

*The Drill Team also did more aerobics during practices, with the help of advisor Donna Neighbors. Aerobic activities helped build the team's stamina for their many performances.*

*To sum it all up, Tiffany Dorrough stated: "The electricity you feel when you know that you've done a good job is beyond comprehension. It's a natural high — a feeling I'll remember for the rest of my life."*

D. Donohoe

G. Ames 1.

G. Ames 2.

# *Involvement at Its Best*

*We accomplish a lot and work really hard, but we love it and we have so much fun!" exclaimed Rally Board member Nabeela Chaudry. Hard work was obviously a big part of Rally Board, as they made signs, baked, cheered enthusiastically at all the games, and still found time to put on a spectacular Homecoming dance with the theme "Some Enchanted Evening." But there was a lot of time for fun too, and stated Mary Ferriole, "Going to games and getting involved is really fun, and it's neat when people come up and thank us for the things we do." As for Mignon Coughlin, her favorite part of Rally Board was summed up in the single word "eat!"*

As Doris Toland looks at a football program, April Osborne concentrates on the action of the game.*

# *Six Spirited Girls*

*Being dressed in their not quite "favorite" clothes and having the best make-up job in the entire school separated these six spirited girls from the norm one day in October. It was initiation day for the Junior Varsity cheerleaders. They were selected by a panel of teachers and students, who looked for strong points in enthusiasm, coordination, projection, and originality.*

*Their purpose, which would normally be to cheer for only J.V. basketball and wrestling teams, had a little more to it. Their uniforms were completed earlier than expected which enabled them to cheer for J.V. football and volleyball teams also.*

*The six girls met Mondays and Wednesdays after school to practice cheers and make signs. "It was really a lot of fun, especially after we got to know each other better. We worked well together," added cheerleader Annette Braden.*

*"They did a good job of supporting J.V. sports and made them feel like an important part of Kentridge," concluded advisor Mrs. Marilyn Mathison.*

*K. Lundeen*

# 'Hey Go Team'

*Starting practice in the spring, just a short while after the squad was chosen, and meeting two days per week throughout the summer, the varsity cheerleaders were ready for the year — full of enthusiasm! They were able to spread their enthusiasm very quickly and easily. "We've really worked toward greater audience involvement and are proud of the overwhelming support we've received," commented cheerleader Susan Allen. Adding her thoughts, captain Kara Munyon exclaimed, "We are also very proud of the achievements and support of all of the sports teams!"*

*Cheer Advisor Mrs. Marilyn Mathisen was very pleased with the girls' efforts in promoting school spirit and demonstrating leadership, and stated, "This year's squad was the best one Kentridge has ever had. They were the most dedicated and worked very hard."*

*Other accomplishments of the squad included a second place ribbon at a cheer camp in Portland, and an invitation to a national cheer competition in Dallas, Texas.*

*G. Ame*

# *ROTC Prepares for the Future*

*"The students learned about people and the psychology of leading," declared Colonel Henderson. In the five Junior Reserve Officer Training classes there were approximately 102 students who studied and learned together. In class they examined Presidents, U.S. history, leadership, self discipline, and how to survive almost anywhere in almost any situation. They also learned physical training outside of the classroom about two days a week.*

*After class hours pupils participated in many activities like the Puget Sound ROTC Conference in which 11 other schools met together five times a year. At this conference cadets competed in colorguard, regulation drill, exhibition, and a drill down. When asked what is learned in JROTC, first sergeant, Frank Jamison remarked, "you learn a lot about yourself."*

# *Talent Showcase*

*Opening on the night of April 16th with the awarding prizes, performances by the music department, and refreshments, the 11th Annual Kentridge High School Art Show was held during Showcase '85. Three prizes were awarded in each of nine different media categories.*

*Between 150 and 200 students entered their work in the show. For many, this was a stepping stone to higher competitions such as the Green River Art show and the State Superintendents Art Show, where Kentridge students have placed in the top three. Art instructor Dave Helmboldt commented about the show, "We've had ten really outstanding years in quality work, and the eleventh proved to be just as outstanding."*

S. Soderberg 5.

# *An Artists Reward*

*As a goal set by many art students, being selected Artist of the Week was a great honor. In addition to having their work showcased for their peers and the faculty, the award provided a great deal of encouragement for students in art classes.*

*During each three-to-five-week project period, up to five artists were selected by the art instructors to receive the award for outstanding projects. These pieces were then displayed in the cases inside and outside the library, and also in the main office for a period of two to three weeks.*

# *Music & Color Surface On Fashion Scene*

*Just as the shades of color in a lava lamp mix and flow, so do the fads and fashions that circulate during a year.*

*"I found the neon styles to be refreshing for awhile — and I thought they were quite wild!," offered Patti Cooper.*

*Indeed vibrant colors were found in many sweater and pant combinations as well as shoes and socks. The Guess Label carried over its trendy denim syles from the previous year and gained the height of popularity. Accessories to accent a certain "look", such as long dangly earrings and lace gloves with scarves in the hair were seen everywhere.*

*On the popular music front, Hip Hop and Breaking beats were on the decline, while soulful, new Wave inspired tunes dominated the charts. Bands like Prince and the Revolution and Bruce Springsteen and the E Street Band, as well as solo artists Tina Turner and Madonna hovered atop countdowns everywhere. MTV was once again a staple in student life. Music videos' role in the industry again escalated, gaining almost universal acceptance and popularity.*

# National and Local News Headlines Student Interest

*It was a year of intense national pride as Americans hosted the Summer Olympics in Los Angeles. The U.S. came away with a record number of medals and new heroes in Mary Lou Retton and Carl Lewis, who won four gold medals in track and field, matching Jesse Owens' 1936 feat.*

*Following a race marked by firsts, President Reagan was elected to his second term in November. Geraldine Ferraro became the first woman to be included on a major party ticket when Walter Mondale chose her as his running mate, and Jesse Jackson's Rainbow Coalition gained national respect as a minority voting bloc.*

*The Ethiopian famine shocked the world into relief action as many prominent organizations raised funds to relieve the suffering and starvation overseas.*

*A poisonous gas leak in India killed at least 2000 people and raised questions about the industrial safety of U.S. corporations in other countries.*

*Controversy entered the world of medicine when Baby Fae became the first human to receive a baboon heart. Her death in October after 14 days was followed by a series of moral and ethical debates.*

*Locally the Green River Task Force continued to search for the Green River killer who claimed his 26th victim and was still unidentified.*

*Ivar Haglund died at the age of 79, leaving behind a legacy of Fish and Chips and fond memories of a local legend.*

*School pride was boosted with Kentridge's selection as one of the top six schools in the state. The honor led to a competition at the National level for recognition as one of the top eighty schools in the nation.*

*Bizarre weather was characterized by both the driest January on record and several mid-winter snowstorms.*

*Sports fans were elated over the University of Washington Huskies Orange Bowl victory and subsequent number two national ranking, as well as the Seahawks entry into the NFL Playoffs for the second straight year.*

*Music and cinema merged to create a superstar as Prince's Purple Rain became a blockbuster both at the box office and on the charts. Eddie Murphy established himself as a star in the hilarious Beverly Hills Cop, and Madonna set new music and fashion trends among her teen followers.*

*Forging ahead through time, the events of both our world and our nation continued to affect us as people both culturally and socially as we continually reached new heights of technology, and as the future became the present.*

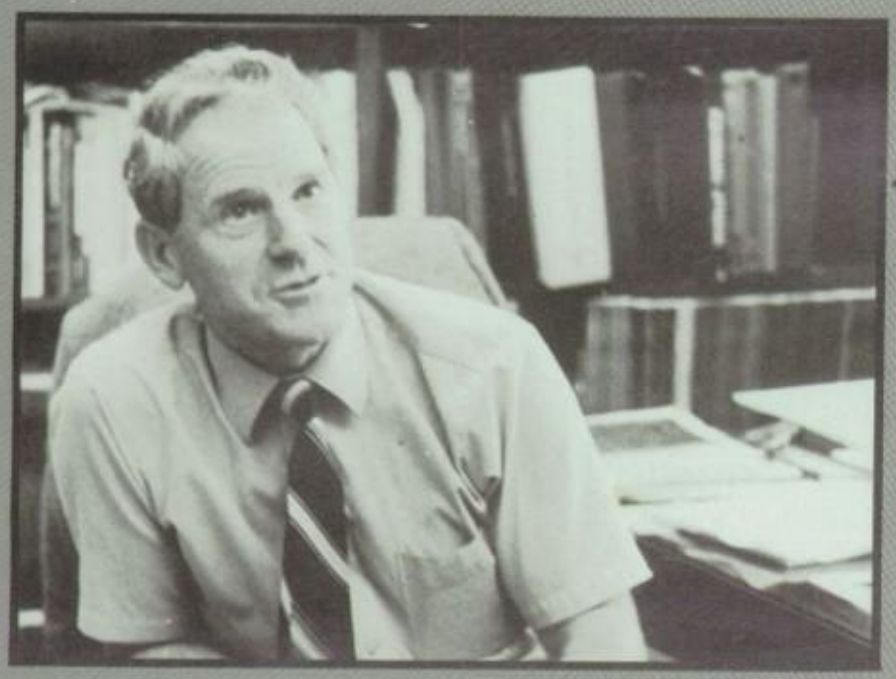
*Robert McMullen*
*Admin. Assistant*



S. Soderberg 2.

*Welcoming students back to school with the August issue of the Fleet St. News, the early set administrative goals were to improve communication and produce well prepared students.*

*Producing prepared students was no easy task with a population of over 1400 students, ninety-two staff members, and a campus of forty acres. Together the administration formed a unified group, although they each had individual responsibilities.*

*Principal Dr. Beth Jackson took great pride and enjoyment in watching students triumph and realize their full potential. She remarked, "Kentridge is like a family — Everyone helps out, and everyone cares. The more the students involve themselves, the more they get out of the school, and give back to the community later."*

# *Baseball Strives For Championships*

*With seven returning lettermen, the baseball team had one of their best seasons ever. These seven players all played on last year's second place team. Their goal was for the team to advance beyond regionals in the state tournament.*

*Working toward the state championship, the team had two practices and three games each week. "Having two batting cages at our disposal, we were able to get more hitting practice in," commented Coach Larry Book. With all of its hard work and talented players, the team was "the best it has been in the last five years," added Mr. Book.*

# *Zestful Girls Show Leadership*

*"Our team has the potential to do well and is carried through by the leadership provided by a strong senior section." enthused returning softball letterman Tracy DeRamio. The team, coached by Don Dorland and Gene Johnson, definitely had a background of strength and depth, comprised of nine returning lettermen, eight of which were seniors.*

*The team played 2 practice games and approximately 18 league games and demonstrated their talents with enthusiasm and pride. Commented Mr. Dorland, "These were the neatest girls to work with, their dedication and zest made coaching a pleasure!"*

# A Musically Pleasing Show

*"It was one of the cleverest and most musically pleasing shows I've ever seen," said producer Kelly Johns of the musical "Little Mary Sunshine." Performed on February 22-23 and March 1-2, the play featured Mike Dunne as Captain "Big Jim" Warington, and Rochelle Meyers as Little Mary Sunshine, the play's hero and heroine.*

*The approximately fifty cast members began rehearsals in early January, memorizing parts, construction sets, and making costumes. Directed by Jim Doell, the story pokes fun at the popular plays of the 1920's and 30's with their handsome heroes, beautiful heroines, and of course a deliriously happy ending. Commented Mike Dunne, "The play was a really fun experience and I think we put on one of the best plays Kentridge has ever seen!"*

G. Ames 3.

*1. With no men in sight, Tina Cobbin and Laura Pinyuh vocalise their feelings on playing croquet. 2. Courageous Captain "Big Jim" Warrington, alias Michael Dunne faces the dangers of being a Forest Ranger. 3. Laura Harrow sings about the trails and tribulations of playing croquet.*

# Added Practice Added Perfection

*Orchestra, Womens' choir, Symphonic band, Concert choir, and Wind Ensemble entertained approximately 300 audience members at the annual Winter Concert, which was rescheduled to February 28 due to snowy December weather conditions.*

*The groups had to start over with all new music because Christmas type songs weren't appropriate for the new date. They gave the audience a preview of what they performed at later competitions in the spring.*

*"The extra practice time made it well worth the wait." added junior Wind Ensemble member Mark Bader.*

# *Couples Catch 'Spring Fever'*

*The air was full of "Spring Fever" on March 30th, as couples danced the night away in the gym. The atmosphere of Tolo was light, carefree, and romantic, with hearts to be seen everywhere. Girls' Honor members chose the colors of pastel pink and lavender, and silver to decorate the dance that they put on annually. Commented President Mignon Coughlin, " 'Spring Fever' reflected the way that everyone was feeling and the time of the year, and we did our best to capture that spirit."*

*As was traditional, the court was served breakfast in bed by Girls' Honor members on the Friday morning before Tolo. They were then honored at an all school assembly.*

# — Advertisement —

*It all started, well let's see, uhh, I don't remember exactly . . . but I know it had to have begun sometime or another. Gimme a break doc, I'm so confused, in fact, I'm too nervous to answer. You know sometimes I just sit there staring at the wall, thinking about everything, then again I think about nothing. A friend of mine had a lobotomy once, most people think those are for crazies, not at all. Why should I feel funny, the two hemispheres are fundamentally at odds. Oh well, those things happen, people just blow up, natural causes.

*Ok doc, let's talk about people. Take those people over there for instance. Ordinary people, I hate 'em. They spend all of their time avoiding tense situations, repo men spend their time getting into tense situations. Rich people will travel a long way to stare at poor people. The space people read our mail. Same as it ever was. Hey I knew you were going to say that. Say you're thinking about a plate of shrimp, then someone says plate, or shrimp, or plate o' shrimp, out of the blue, no explanation, it's all part of the cosmic unconsiousness.

*You know doc, I remember lots of things, I remember breaking glass, I remember being upside down, Jerry, GF's, Pizza and Organs, pizza and motorcycles**, fern leaves, parabolas, New Year's Eve — I think, a subscription, Bucket, a wafer-thin after-dinner mint, and the ATTITUDE.

*What doc, the bill? I'm so poor I can't even pay attention! All I wanted was a Pepsi, and she wouldn't give it to me! Don't worry you're gonna be alright, . . . huh . . ., maybe not. You may say to yourself, MY GOD, WHAT HAVE I DONE?! Watch out, you might get what you're after . . .

Dave -

I know your thinking that I am going to write my stupid little poem. Well, your right! So here it is:

Party Harty
Rock and Roll
Drink a fifth
and smoke a bowl
we are rockers
we have class
mess with us and
we'll KICK YOUR
A SS !!!
ooo

have a cool summer
and stay away from
DRUGS!!!
ccc

Mike Baker

Dave,
I was so great spending the summer with you as a camp counselor. You make the best of your last year here at K.R. We all have this year to do some thing special. Have a God Bless and Good Luck in your future. Kim Landers '85

Rachel '85
